Testimonials

“Zoe Naylor MCed all three of the recent Corporate PA Summits, held in Brisbane, Melbourne in Sydney. Zoe is an extremely professional chairperson, with an incredible energy and ability to immediately connect with her audience. Her ability to control the program, and bring the best out of all of the speakers, is extremely impressive.

We received over 500 feedback forms from attendees at the summit, and Zoe scored 5/5 almost exclusively, with attendees clearly appreciating her ability to think on her feet, ask probing questions, and to bring a level of professionalism to the events that reflects on everyone in attendance. We could not recommend Zoe highly enough, and look forward to working with her again in the future”
