What people have said about Peter Wall

“What is key to Peter’s success is that sense of the human being. I don’t know that I’ve worked with anybody as enlightened as a management person before or since ABC 702 as Peter Wall”.

David Dale

Journalist and former Editor of the Bulletin and ABC 702 breakfast presenter.

“I owe you a great debt... You’ve been a source of inspiration, encouragement, insight, and friendship. A bloke such as yourself with such manifest and abundant talent and skill is sure to wind up with something unexpected, demanding and fulfilling. I’ll miss you greatly and so will this joint.”

Ian Vaile

Director, Metro Media – Fairfax Digital (Andrew Olle’s former producer)

“Peter has a great ear for radio. After all, he put Andrew Olle on air – he knows what works.”

Philip Clark

“You have been ABC 702. That place is what you made it. The ABC will miss your astute judgment.”

Shane Mahoney

Ex Head Rural Broadcasting, ABC Radio.

“The success of ABC 702 for over a decade since you took over is an enduring testimony to your management/people skills. My memories of ABC 702 will always be that it was an unusually happy place to work, where the staff worked together with commitment, professionalism and harmony, despite the pressures.”

Steven Turner

Former ABC702 producer and current Radio National producer.

Peter is a very good manager whose word is as good as his bond... He was always encouraging and supportive, even when I felt there wasn't much to be encouraging about."

John Doyle

"You have terrific intuition. You know what works in wireless and if it hasn't quite worked the first time you've massaged it round until it did."
